

FACES OF WEST MICHIGAN 2020

THE FACES OF **PAYROLL, HCM & TREASURY**

MERCANTILE BANK OF MICHIGAN

310 LEONARD NW, GRAND RAPIDS, MI 49504 | 800-453-8700 | MERC BANK.COM

Payroll and human capital management? Yes, Mercantile Bank does that! This local, West Michigan-based community bank provides a consultative approach, with treasury management services such as payables solutions, fraud mitigation, and merchant services to optimize cash flow.

Always looking to innovate, Mercantile also offers businesses a way to streamline payroll, HR, and data management. MercForce®, powered by iSolved, is a powerful workforce management tool combining payroll, HR, benefits, and time in one solution.

Businesses and HR professionals need partners who can provide robust and nimble products for the ever-changing business landscape.

Mercantile combines technology with local support to help businesses manage workforce complexities, and to engage with their most valuable asset — their people.

World-class solutions, and the personal service of a trusted local bank. You'll wonder how your business ever functioned without it. Connect with a Mercantile Bank treasury officer to see how these versatile business solutions can impact your business.
